## Notable features:

The two story and attic buildings 944-952 were built before 1851; numbers 938-942 before 1866. The older houses are certainly worth keeping. Numbers 944-952 have high priority, 938-942 only a little less.

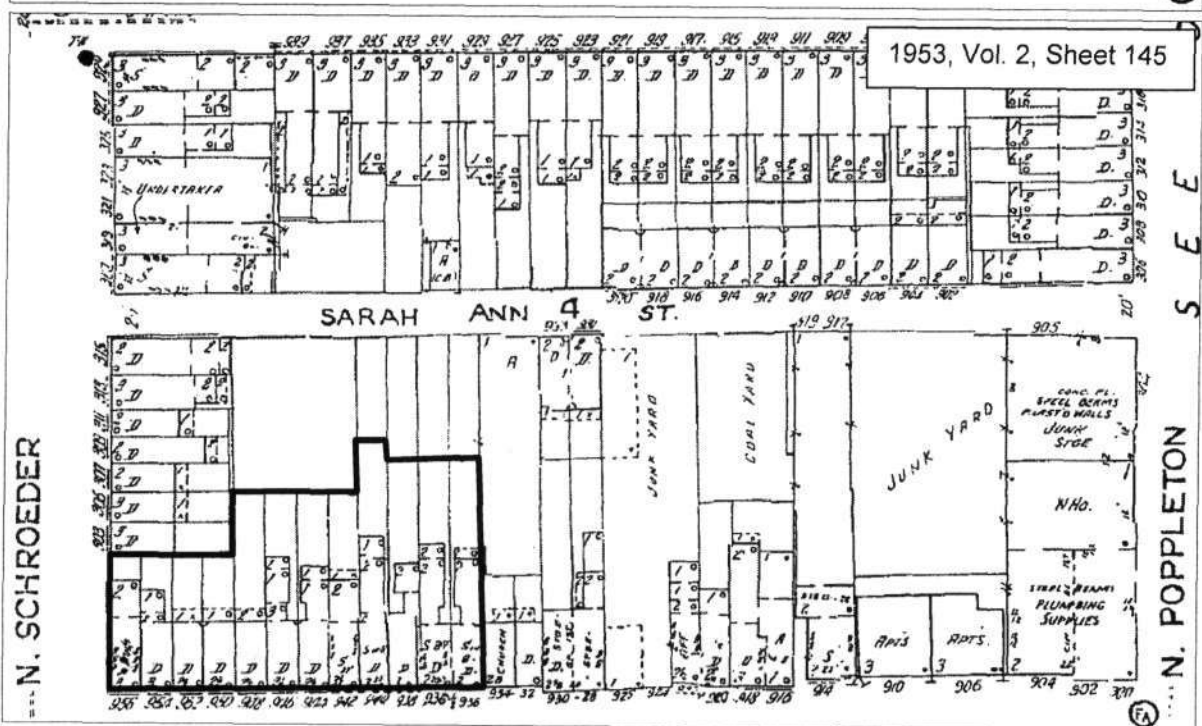

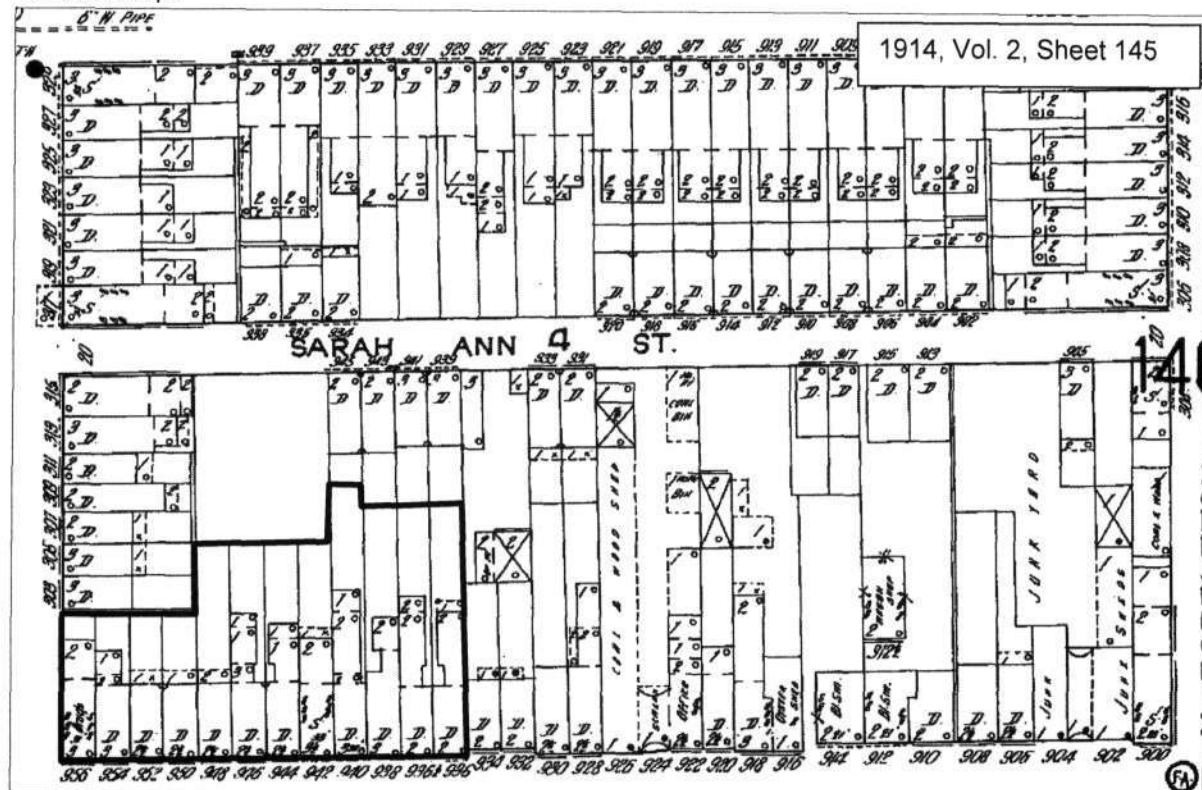

For side of number 956, corner store, see picture for 303-315 N. Schroeder Street. It appears that the Schroeder Street wall was extended to cover a gable end and the cornice added on Saratoga Street side.

## Environmental context:

Number 936½ is boarded up and 938 appears vacant. The street is wide and busy, needs trees. Across-street are houses in scale with the 2½ story attics at 944-952. Row is near Poe Homes.
